

## Transportation within Toronto

There are various on-line documents that describe how to get around in Toronto. Here are some of the most relevant for CCM5 (and of course there is overlap between these)

- Payment by tap&go credit/debit card is available virtually everywhere (Locals use a “Presto Card” that provides discounts for young/old/frequent users) but every Presto machine should take tap&go too.
- Transport from Toronto Pearson Airport to downtown (Union Pearson Express train is recommended): <https://toronto-international-airport.com/transportation/>
- How to get to CITA/UofToronto: <https://www.cita.utoronto.ca/visitor-info/getting-here/>
- Public transit system; Toronto Transit Commission (TTC): <https://www.ttc.ca/>  
The details on TTC can be found on links: <https://www.ttc.ca/routes-and-schedules>  
The Downtown Map at this link is particularly useful. Note that thick green and yellow lines are underground subway lines, red lines are streetcars and buses.
- Note that one can walk from Union Station (endpoint of Union Pearson Express train) to the Chestnut Residence/Hotel in under twenty minutes (map below) or take TTC subway to St Patrick Station and walk two blocks.
